In addition to council in attendance, Samantha McCreery, Village Administrative Assistant and Penny Marquart, Fiscal Officer were present. Also present were Casey Ash, Village Maintenance, and Jon Browning, Village Solicitor. Attendees also included: Rayna Mollendick, Pleasant Township Trustee, Sgt. Comer, Corp. Shanes and Deputy Theisen, FCSO, Kimberly Cattran, Cheryl Brokaw, Garver Asset CEO, Nick & Sara Garver, Mike & Lisa Shankle, Sam King, and Joe Riker.

Mayor Dumolt presented to council that there were not enough members of council present to have a quorum and address several items on the agenda and asked if there was a motion to recess the meeting until a later date in which all members could be present.

Councilwoman Harrier asked what the options to proceed were.

Mayor Dumolt replied that in the past, committees were not utilized to create ordinances and resolutions and to present items to council. Attorney Browning said that "in a perfect world", ordinances and resolutions would be in the hands of council members well in advance to review, read, etc.

Councilwoman Harrier asked if the meeting were to be recessed, would a meeting notice would have to be posted to the public. Attorney Browning indicated yes. She (Councilwoman Harrier) said she wants to do what is in the best interest of the village.

Councilman Snider asked if they were to proceed (now), the items on the agenda would have to have three readings.

Attorney Browning replied yes. He went on that if (the items) continued on and money continued to be spent; the potential issue could be that waiting (90 days) could be a personal liability to all council members in addition to the village.

Councilwoman Harrier said she feels it is important to have all council members present before making a decision on anything.

Councilman Pangborn made a motion to recess the meeting. Seconded by Councilman Snider.
