Additional Information Required

## Section 8.12 Swimming Pool Requirements.

**A. Permit Required.** A zoning permit shall be required for the construction or installation of any private swimming pool. The owner of the property, or his agent, shall certify that the pool will be constructed, installed and maintained in conformance with the above requirements.

**B. Requirements.** No such swimming pool, exclusive of portable swimming pools with an area of less than 100 square feet, shall be allowed in any residential district unless such pool complies with the following conditions and requirements. The owner of the property, or his agent, shall certify that the pool will be constructed, installed and maintained in conformance with the above requirements.

1. The pool is intended to be used solely for the occupants of the principal use of the property on which it is located.
2. Such pool, including any walks, paved areas, and appurtenances thereto, shall not be located in any front yard, nor closer than fifteen (15) feet to any property line or structure.
3. The area of the swimming pool, exclusive of decks, walks and other appurtenances, shall not exceed ten percent (10%) of the area of the lot or parcel.
4. Any private swimming pool, or the property on which the pool is located, shall be enclosed by a wall or fence constructed so as to prevent uncontrolled access. Such wall or fence shall not be less than five (5) feet in height, maintained in good condition, and affixed with an operable gate and lock.
5. All lights used for the illumination of the swimming pool and adjacent areas shall be designed, located and installed so as to confine the direct beams thereof to the lot or parcel on which the pool is located
